■ Purchase process

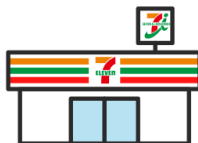

STEP1

※上記プリント予約番号はイメージです。

Search for the content you want and obtain a Print Reference Number or QR code.

STEP2

Go to 7-ELEVEN.

STEP3

Purchase from a multi-function copier using the Print Reference Number or QR code.

1

Search for the content you want

Go to purchase link

An 8-digit "Print Reference Number" or QR code is required to purchase content.

■ How to check the Print Reference Number

- Search for the content you want to print from the Seven Print website and check ① "Print Reference Number". If the "Print Reference Number" is not displayed, click the button at the top of the screen to go to the purchase link and check the "Print Reference Number".

■ How to check the QR code

- Search for the content you want to print from the Seven Print website. Click the button at the top of the screen to go to the purchase link, and press ② "Display QR code" to display it on the screen.

*The QR code is displayed only when accessing from a smartphone.

2

Go to 7-ELEVEN

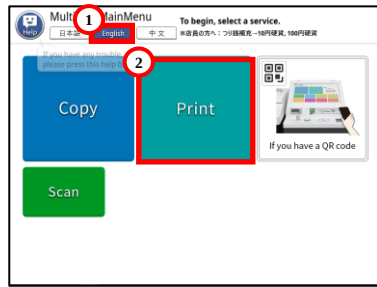

Go to a 7-ELEVEN store with the confirmed Print Reference Number or QR code, and follow the purchase process from the menu screen of the multi-function copier.

*Note that some stores do not have multi-function copiers.

3

Purchase at the multi-function copier

■ When purchasing by entering the Print Reference Number

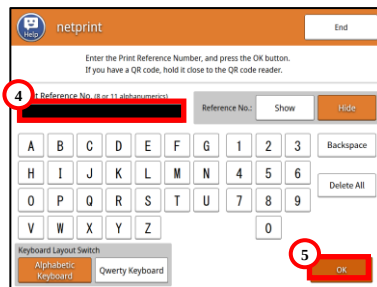

① Press “English” on the upper left of the menu screen on the touch panel to switch to English display.

② Press “Print”.

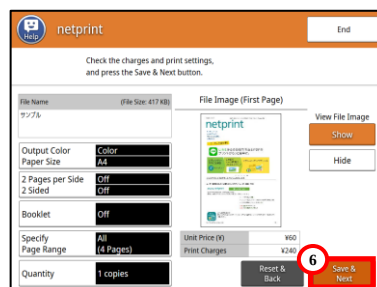

③ Press “netprint”.

④ Follow the instructions on the screen and enter the Print Reference Number on the touch panel.

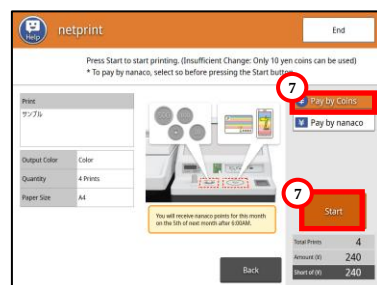

⑤ After entering, press “OK” at the bottom right to start downloading the file.

⑥ When the download is complete, a preview of the file’s content will be displayed. After confirming the content, press “Save & Next”.

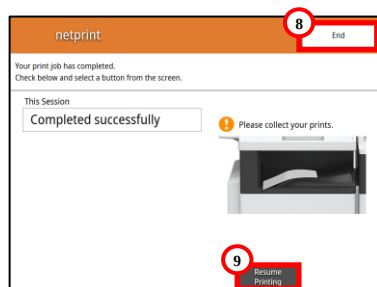

*For each content, the paper size is set in advance.

- L size, 2L size: Prints on photo paper.
- A3, A4, B4, B5: Prints on plain paper.
- Postcard: Prints on postcard paper.

⑦ Select “Pay by Coins” and pay the fee. Then, press “Start” to start printing.

When printing is complete, the following screen will be displayed.

⑧ Press “End” to complete the purchase. Please do not forget to collect your printed materials and change.

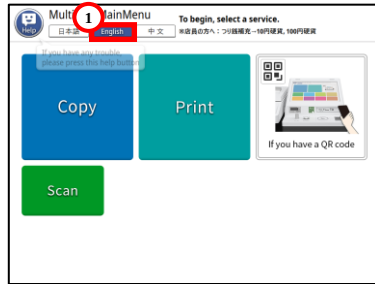

*You can print the receipt after completing the purchase.

⑨ If you want to continue purchasing another content, press “Resume Printing” at the bottom right. You will go back to the Print Reference Number input screen.
